

**Minutes of meeting convened by Executive Engineer with the
Representatives of Industries Association in his chamber on 18.09.2014 at
11.30 hrs.**

The following Departmental Officials were present:-

1. Shri H.M. Patel, Executive Engineer (Dist)
2. Shri B.P Patel, Executive Engineer (Lab & Vig)/Executive Engineer(Trans)
3. Shri Y.A.Patel, Asst Eng (Lab & Vig)
4. Shri H.C. Surma, Asst Eng (ASW / N/Z-II)
5. Shri R.B Chaubal, Asst Eng (Comml)
6. Shri Sandhya Dilip, Deputy Engineer(Billing)
7. Shri B.B Patel, Asst Eng (N/Z-I)
8. Shri A.M.Patel , Asst Eng (S/Z)
9. Smt V.R Verma, J.E (Lab & Vig).
10. List of Participants from the Industries Association is enclosed herewith

At the outset, Executive Engineer (Dist) welcomed all the representatives of Industries Association. The Representatives of Silvassa Industries Association, DNH Industries Association, Silvassa Industries & Manufacturers Association & Silvassa Steel Industries Association expressed their views on the various issues related to power sector and emphasized to simplify the procedure for replacement of faulty CTPT unit, Distribution transformer of LT industrial units, Disconnection of power for non-submitting of B.G and for providing load shedding for replacement of 100 MVA transformer by 160 MVA at Kharadpada 220 KV Substation.

After detailed discussion and deliberations, the following decision has been taken unanimously.

1. Replacement of faulty CTPT units :-

It was decided that the power supply of the HT/EHT consumers will be restored by bypassing the faulty CTPT unit by the concern subdivision and the matter should be reported to Executive Engineer (Dist) and Executive Engineer (Lab & Vigilance) immediately.

Such faulty CTPT unit shall be replaced by the consumer within 15 days in consultation with Executive Engineer (Dist) and Executive Engineer (lab & Vig) otherwise their power supply will be disconnected without any further notice.

The department will provide CTPT unit on chargeable basis if it is spare with the department or otherwise it will be brought by the consumer at their own cost and got tested in the department laboratory before replacement.

The bill will be issued on average basis as per rules and regulations applicable and prior undertaking shall be obtained by the concerned Sub-division from the consumer while replacing the CTPT unit for average billing of period under faulty condition of CTPT unit.

2. Failure of LT Distribution Transformer:-

In this case, the department will replace the faulty distribution transformer if the adequate capacity of distribution transformer is available with the department or the alternate arrangement for providing service transformer can be made by the consumer at their own cost till the faulty transformer can be repaired by the department or consumer on mutually agreed conditions.

3. Submission of additional Bank Guarantee :-

As per JERC Regulations.

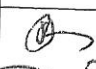

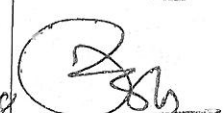

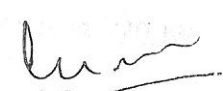

4. Augmentation of 220 KV, 100 MVA transformer with 160 MVA transformer at 220 KV Kharadpada S/S.

In this connection, it was decided that the work of replacement of 100 MVA transformer by 160 MVA transformer at 220 KV S/s Kharadpada will be started by the department. The exact date for shut down will be given by Executive Engineer (Trans) on Receipt of transformer, shut down notice would be circulated to all the association.

The meeting ended with Vote of thanks to the chair.
